### VISION STATEMENT

Our vision for Catholic Charities is for it to be recognized by all as a place that people can call or go to for immediate relief and as needed, to acquire the capabilities to pull themselves out of poverty; that Catholic Charities be an effective voice for justice and just social structures; and that Catholic Charities be an effective convener of other persons to assist in the delivery of services as well as to advocate for justice.

We envision that our efforts will be part of the brick and mortar as we labor with others to build what the prophet Isaiah has called the "City of God" (9:1-7). We will work to "raise up the foundations of many generations; to be called the repairer of the breach; the restorer of streets to dwell in" (Isaiah 58:12). In so doing we seek to improve the level of civic, social and economic life for those in our immediate community, always with a preferential option for the poor and we will work to do the same on a global level by joining with others who share similar values.

Funds from the sale of donated vehicles support our programs for the poor in need across Morris, Passaic, and Sussex counties. Donated vehicles are tax deductible. Free pick-up is available and vehicles do not need to be running.

### CONSIDER CATHOLIC CHARITIES IN YOUR WILL

As you plan for the future, have you considered Catholic Charities in your estate plans? You can establish a legacy gift by simply naming Catholic Charities in your will as a beneficiary of a specific amount, a percentage of your estate, or a portion of the remaining value after your loved ones have received what you have designated for them.

To include a bequest for Catholic Charities, please use the following language: *I give, devise or bequeath to Catholic Charities, a charitable organization located at 777 Valley Road, Clifton, NJ 07013, \_\_\_\_\_ for the general charitable and educational purposes in carrying out its mission.* This wording is only a suggestion; your own attorney should always prepare legal forms.

We appreciate your willingness to consider our organization in this important decision. For more information please call our planned giving/development office at

**(973) 523-4456**
